I've been angry and sad about things that you do.
I can't count all the times that I've told you we're through.

And when you go,

Will you slam the door? I think you know that you won't be away.
too long,
you know that I'm not that strong,
just one

look and I can hear a bell ring,
one more look and I forget everything

oh, oh
Mamma mia,
here I go again

my, my, how can I resist you?
Mamma mia,
does it show again, my, my, just how much I've missed you?

Yes, I've been broken-hearted blue since the day we parted why, why, did I ever let you go?

Mamma mia even if I say bye-bye, leave...

must be funny in a rich man's world...
Money, money, money

all the things I could do if I had a little money, it's a rich man's world
It's a rich man's world
A man like that is hard to find,

I can't get him off my mind.

Ain't it sad.

And if he happens to be free

I bet he wouldn't fancy me,

that's too bad.

I must leave,

and win a fortune in a game, my life would never be the same.

Mon - ey, mon - ey, mon - ey

always sunny in a rich man's world.
all the things I could do if I had a little money, it's a rich man's world.

I don't wanna talk

about things we've gone through,
though it's hurting me,
now it's history.
I've played all my
cards and that's what you've done too, nothing more to

say, no more ace to play. The winner takes it all, the loser standing small

beside the victory, that's her destiny.
I was in your arms, thinking I belonged there,

I figured it made sense, building me a fence,

Building me a home, thinking I'd be strong there,

But I was a fool, playing by the rules.
The gods may throw a dice,  their minds as cold as ice,

and someone way down here loses someone dear.

The winner takes it all,  the loser has to fall,

it's simple and it's plain,  why should I complain?
But tell me does she kiss like I used to kiss you,

Does it feel the same when she calls your name?

Some where deep in side, you must know I miss you,

but what can I say, rules must be obeyed.
The judges will decide
the likes of me abide,
spectators of the show,
always staying low.

The game is on again,
a lover or a friend,

a big thing or a small
the winner takes it all.
I don't wanna talk if it makes you feel sad, and I understand you've come to shake my hand. I apologize if it makes you feel bad seeing me so tense, no self-confidence.

The winner takes it all.
